OPEN YAKIMA LANDS

HILL ONLY AWAITS THE PRESIDENT'S SIGNATURE.

Approximately 800,000 Acres Will Be Thrown Open to Settlement, Classified as Grazing, Timber, Arid and Capable of Irrigation—Receipts to Be Deposited to the Credit of the Yakima Indians.

The senate has passed without amendment Representative Jones' bill opening to settlement the unallotted lands of the Yakima Indian reservation in Eastern Washington, embodying approximately 800,000 acres. The bill having previously passed the house, requires only the signature of the president to make it a law.

It provides that the lands shall be classified as grazing, timber and arid lands, capable of irrigation, then appraised and thrown open to entry at not less than the appraised value. The exact manner of the opening is to be prescribed by the president. Mineral lands will be subject to location under mineral land laws.

To make it easy for settlers, it is provided that payment shall be made in five annual installments, but entrymen failing to make payments lose their rights to lands entered. The receipts from the sales of the lands will be deposited in the treasury to the credit of the Indians on the Yakima reservation and expended for their benefit.

The bill recognizes the claim of Indians to a disputed tract of 283,000 acres adjoining the reservation on the west, but also recognizes the right of bona fide settlers who now hold lands in this area. The sum of \$53,000 is appropriated to defray the expense of classifying, appraising and surveying the lands that are to be opened to entry. It is expected preparations for opening the lands will be made at once.

CIVIC FEDERATION.

Organization of the Aristocracy of Wealth.

New York, Dec. 15.—The large attendance at the opening today of the fourth annual meeting of the executive committee of the National Civic Federation was indicative of the interest and importance that attaches to the present meeting. In addition to electing a president to succeed the late Senator Hanna the meeting will consider and act upon a number of matters of vital importance to labor and capital and to the public in general.

Plans to combat socialism will be discussed in an informal way, and a committee will be appointed to take up the matter of an international civic federation. In which England, France, Germany, Belgium and other countries will act in unison with the United States in seeking international industrial peace.

Much interest centers in the annual federation dinner at the Hotel Astor tonight. Among the speakers at the dinner will be Andrew Carnegie, Cornelius N. Bliss, Samuel Gompers, John Mitchell, Bishop Potter, August Belmont and others.

TO FIGHT THE OPEN SHOP.

Labor Unions Organize Against Manufacturers' Association.

New York, Dec. 15.—The first step in the campaign of the labor unions against the open shop is to be taken by the International Carriage & Wagonmakers' union, which organization held a special meeting in this city today for the purpose of planning the fight. It was deemed fitting that the initiative should be taken by this union for the reason that President D. M. Parry, of the National Manufacturers' Association, is a carriage and wagon manufacturer, and according to the unions, is making special efforts to make the open shop general in his trade all over the country. The union does not propose for the present to take any action looking to a general strike, but will bend its efforts toward perfecting and strengthening its organization. To this end an army of organizers will be sent to every large city. There are 65,000 carriage and wagon workers in the United States, of whom only 15,000 are at present organized.

Fight Will Be Bitter.

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. B. Beall of Beall, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by Tallman & Co., druggists. Price 50c and \$1.00. Trial bottles free."

Carpet Workers to Organize.

Washington, D. C., Dec. 15.—A convention of carpet cutters, layers, and measurers met in this city today with delegates present from various parts of the United States and Canada. It is the purpose of the convention to organize an international union of carpet workers, with headquarters in Washington.
